EXPERIENCE

Multimedia Design Intern, July 2013 - September 2015

Riverbed Technology, San Francisco, CA

- Produced event and tradeshow creative assets including collateral material, web pages, corporate branded signage, and infographics to strengthen company brand.
- Collaborated with cross-disciplinary teams to create motion graphics, print, and digital assets.
- Worked with projects based on advertising, sponsorship, or product launch programs.

Graphic Design Intern, June 2012 - August 2012

Cairdea Design & Marketing, Alameda, CA

- Created various types of signage and merchandise for clients.
- Collaborated with vendors and prepared artwork for print and delivery.

Design Lead, 2011 - Present

San Lorenzo Japanese Christian Church, San Leandro, CA

- Produced t-shirt designs, flyers, posters, and websites for events.
- Photographer, videographer, and video editor for event promos and documentaries.
